**FUSION STONE  
"PROOFED FOR LIFE"  
THIN STONE VENEER**

"It's called the "art of mixing of diverse, distinct, or separate elements into a unified whole." It is, in truth, Fusion Stone. One combining together of the beauty, strength, and performance from characteristics of natural stone with the ease of installation and availability of stone veneer. Fusion Stone is a stone and binder technology used to beautifully reproduce a stone, made-on-site. Fusion Stone is a thin stone veneer that is easily applied with the included trowel and mesh clips and nails. The thin stone veneer is called "Thin Stone in Place." Available in three different colors, it's backed by a Lifetime Guarantee. Fusion Stone is a thin stone veneer that is easy to install and easy to assemble in any weather.
